

LinX Components

The TX and DX.

Simple Two-Box Solution.

The TX and DX work with most
Video Bars and VC Systems

Ideal for retrofit

BYOM. (Bring Your Own Meeting)

Use any VC App on your
laptop

Teams for one meeting,
Zoom for next

Driverless

Extend USB-C.

30m over 1 x CAT6A

Including power for
laptop

Don't have USB-C?

No problem,
use HDMI with USB-A

USB-C to USB-A
converter included

Want to do more?

Simply integrate a Room PC, Codec or All-in-One Video Bar.

Most deployments still with BYOM capability for true
multi-platform operation.
